An innovative

# NEW REHABILITATION CENTER

centered around you.

For Age 55+

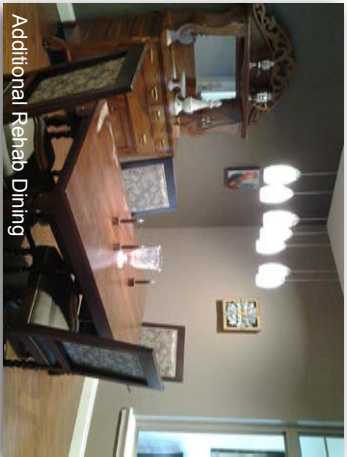

**Person-centered care** at Fair Haven means that each guest directs his or her own care and schedule. Guests enjoy **a large private suite with private bathroom**, and share comfortable homelike common spaces that promote wellness and healing. With **a new dedicated therapy gym** and advanced therapeutic equipment, our expert therapists help guests regain movement and strength, improve communication and relearn skills for daily living for the **fastest possible return home.**

## Health Care and WELLNESS BENEFITS that stand apart.

- Therapy offered 7 days/week. Receive up to 6 additional days of therapy as opposed to other rehab centers that offer only 5-6 therapy days a week
- 5 star quality rating. Feel secure in the high standard of quality care that Fair Haven offers.
- Care Transition Nurse. We have a nurse to follow up with you for 30 days after discharge from Fair Haven. Within that 30-day timeframe, a Nurse Practitioner can be sent out to your home, if needed, for treatment.
- Resident directed care. Get the care you want, when and how you want it.
- Household and home atmosphere. Enjoy the benefits of physical therapy and recovery among the comforts of home, for the fastest possible return to your home.
- 3 Board certified Geriatricians and 7-days-a-week Nurse Practitioners. Rest assured that you will have a professional and individually-tailored recovery plan, and be given great quality care daily.
- Aegis Therapies®. You can trust that you are getting the best therapy and wellness care available, featuring programs such as: Falls and Balance, Cognitive and Dementia management, Continence management, Diabetes management, Wound Care management, and Complex Disease Management.
